**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I can barely afford internet service now, and may be cut off from internet if competition is cut back and prices go up. I prefer more competition, an affordable price for internet and phone, and quality service. I like and prefer my local provider. Don't let the large service providers take control and raise prices.
